To be completed and signed by student.

Students should understand that it is in their own interest that this form should be completed accurately. Any proven non-disclosure and / or falsification of the statement may result in the student being unable to postpone their studies further. In such case, should the student wish to continue their studies after falsely declaring their fitness to study, the student will be subject to full course fees for any course continuation. Evidence will be required to support the student's position regarding their fitness to study should events following this declaration impede the student's ability to complete their SQE Prep course. I hereby declare that I am fit to study as per BARBRI's Fitness to Study policy and am in the position to resume my SQE studies.
